Dear WAVE Families:

Thank you for a great first semester! Despite the challenging times, the students have made progress and worked hard in their program. We appreciate their efforts.

Included in this document is the schedule for second semester. Students will be expected to attend WAVE on their scheduled instructional days. Those students choosing to participate in the high school online programs, are still welcome to attend WAVE in person. We do not have the capacity to offer an online only program to our students.

Students will be on the WAVE Campus two days per week. The other two days will include assignments in Google Classroom and lab/project work. Students will continue to be placed in groups according to their last name. To better assist families, households with multiple siblings with different last names will follow the oldest siblings group assignment. Please see the attached schedule students will follow and other important reminders. Bus transportation will still be available.

We will continue to monitor our hybrid plan and communicate any changes. Our goal is to be onsite, following our normal schedule, as soon as safely possible. Please make sure to follow any additional guidance provided by our educational partners (LHUSD, Mohave Community College, etc.) as it relates to your student.

Please have a safe and healthy holiday season! We look forward to continuing to work with your student. If you have any questions, please reach out to me or the instructors.

Sincerely,

Amy L. West
Superintendent
Group Assignments

Health Protocols
WAVE will continue to follow our protocols established in our Reopening Guide.

Gentle reminders:
- Screen students for COVID symptoms each day, self-report if you are sick, and keep students at home if any symptoms are present.
- Inform the instructors if the student has a chronic condition, such as allergies or asthma that would account for certain symptoms.
- WAVE students using transportation provided by LHUSD, must follow the processes and procedures established by LHUSD.
- Staff members will visually check each student for symptoms as the students enter the building.
- Students and staff will wear masks when entering the building and at all times when present on campus.
- Students and staff are expected to wash hands with soap and water as directed and frequently.
- Hand sanitizer will be strategically placed in the building for student and staff use.
- Visitors will continue to be limited.
- Staff and students will continue to implement daily cleaning and disinfecting procedures.
